Pace Compact touring with a full arrival day and a two-night Ohrid stay

Make it your own

• Add a night in Pristina for city sightseeing or a later arrival.

• Choose a lakeside day at Saint Naum or a heritage excursion to Resen and Bitola.

• Extend the programme with another night in Skopje or Albania.

Planning this route

The five-day version assumes an early arrival at Pristina Airport. A later flight requires a lighter first day or an extra night. Saint Naum and Resen–Bitola are offered as alternative excursions so that the Ohrid day stays manageable.

YOUR SUGGESTED ITINERARY

The journey, day by day.

DAY 01 / Pristina Airport · Prizren · Skopje

Meet on arrival at Pristina Airport and continue to Prizren for a walk through its old town. Cross into North Macedonia and transfer to Skopje. A short city introduction is planned only if the arrival time and border crossing allow it.

Optional / on request: Request access to Our Lady of Ljeviš in Prizren. For a Pristina city visit, add time or a pre-tour night.

Overnight: Skopje

DAY 02 / Skopje · Bigorski Monastery · Ohrid

Complete any remaining Skopje highlights before following a scenic route to Bigorski Monastery, known for its carved wooden iconostasis. Continue to Ohrid for a first lakeside walk. The fuller old-town visit can move to the following day if needed.

Overnight: Ohrid

DAY 03 / Ohrid, your way

Explore Ohrid's old town around Saint Sophia, the Ancient Theatre and its traditional lanes, with time beside the lake. Choose one regional excursion if your clients prefer a more active day, adjusting the town visit accordingly.

Optional / on request: Choose Saint Naum and the springs OR Resen and Bitola, with Heraclea on request. Boat rides and a Macedonian dinner with music can be quoted separately.

Overnight: Ohrid

DAY 04 / Ohrid · Tirana

Cross into Albania and continue to Tirana. Discover Skanderbeg Square and the surrounding landmarks on a walking introduction, followed by free time to explore cafés and the city centre.

Optional / on request: Museum interiors or a local food experience can be arranged according to opening schedules and interests.
